RE: Certification of Conformance and Delivery for SHOREMAX

To Whom it May Concern:

This document has been drafted to provide certification as to the origin, properties and delivery of SHOREMAX, a Flexible Transition Mat. SHOREMAX is produced by Western Green (WG). Each panel is subjected to regular inspection and testing in accordance with the WG Quality Assurance Program. Properties and specifications of the material are provided on document number WG_MPDS_SHOREMAX, attached as reference. Installation documentation may be found at www.westerngreen.com.

Since most WG products are sold to distributors and stocked, WG is typically unable to certify material type or quantity delivered to the project/project site. However, space is provided below for distributor/contractor certification of materials delivered to the project/project site.

To the best of our knowledge, the information included is accurate.

Jill Pack
Product Manager
Western Green
